COMPETITIVE INTELLIGENCE

How to read a competitor's pricing page

Swipe →

MarketCentaur

STEPS 1–3

Who, what and why

01 Who each plan is written for

02 What they charge by: users, usage or tiers

03 What's held back for higher plans

MarketCentaur

STEPS 4–6

Read between the lines

01 "Contact us" vs. published prices

02 The small print: minimums, overages, discounts

03 The FAQ: their most common objections

MarketCentaur

STEP 7

Track changes over time

- → New plans for segments they're moving into
- → Features moving down tiers
- → Prices rising, or falling under pressure

MarketCentaur

TURN IT INTO A DECISION

Ask "so what?"

- One line on what the change means for you
- One possible response
