WHERE FORECASTERS AGREE

Three shifts for 2027

01 AI agents do more routine work

02 AI costs and governance get closer scrutiny

03 Buyers research and shortlist with AI

MarketCentaur

FORECASTS, NOT FACTS

What the analysts predict

- → IDC: 60% of the largest firms AI-first by 2029, up from 13%
- → Forrester: AI agents influence 75% of B2B purchases
- → Gartner: 25% of breaches tied to AI agent abuse by 2028

MarketCentaur

FIXED DATES

Already in law for 2027

→ 13 May: India's main DPDP duties begin

→ 2 Dec: EU AI Act high-risk rules apply

MarketCentaur

FIRST QUARTER OF 2027

Five practical moves

01 Score your AI readiness

02 List every AI tool in use

03 Pilot one agent, with a human check

04 Check what AI assistants say about you

05 Put it all in a 12-month plan
