AI GOVERNANCE

EU AI Act: what applies on 2 December

and what moved to 2027

Swipe →

MarketCentaur

MOVED

High-risk rules

→ Annex III systems: 2 December 2027

→ Product safety components: 2 August 2028

→ AI literacy duty softened to 'support'

MarketCentaur

DID NOT MOVE

Transparency

→ Tell people when they talk to AI

→ Disclose realistic deepfakes

→ Mark generative AI output by 2 December 2026

MarketCentaur

THIS MONTH

Four steps

01 List where you use AI

02 Check every public-facing assistant

03 Ask suppliers how output is marked

04 Flag possible high-risk uses
